# Lee County Conservation 2017 Summer Day Camps

Please see the reverse of this form for dates and registration information. For more information contact Clay at 319-463-7673 or csteele@leecounty.org

Three Rivers Conservation Foundation

# 3-5 years-old with an adult

Come play with us as we explore with our senses, romp through the river, and hunt for insects! Kids and their adult will enjoy a story, craft, fun game or activity, and a snack.

### Just completed K-1st grades

Use your sleuthing skills and become an "Insect-igator", blaze trails at the county parks, and experience the wonder of the Mississippi River! Campers will learn about a variety of nature topics through fun outdoor games and activities, crafts, and more.

### Just completed 2nd-3rd grades AND just completed 4th-5th grades

Are you kid enough to conquer the wild? Explore the outdoors with us as we learn fun outdoor skills and discover the creatures of the night. Learn while having fun with outdoor games, activities, and crafts. "Dark Wings" will feature exciting evening adventures!

## Outdoor Adventure Day Camp (just completed 6th-8th grades)

This two-day camp is for teens who want to experience the many recreational opportunities the great outdoors of Iowa has to offer. This year Hunter Education class will be offered as a separate class in the fall.

Camp will be for two consecutive days, 9a-5p the first day (lunch provided) and campers will return for 2-10p the second day (dinner provided). Camp will start and end at Wilson Lake main shelter. Space is limited to 15 participants.

If the cost of camp would be a hardship, Lee County Conservation has a limited number of financial scholarships available. Contact Clay at (319) 463-7673 or csteele@leecounty.org to request a scholarship form.
