DIRECTIONS

The “just far enough” location of Wickiup Hill is ideal for parents and children. It allows children the full opportunity to experience nature with out the distance of visiting a national park or needing to take a vacation to get outdoors. For families in the Cedar Rapids metro area (including Hiawatha and Marion) or south, take I380N to the Toddville exit. For families north of Robins, take I380S to the Toddville exit. From the interstate, follow the signs to Wickiup Hill Learning Center. The address is 10260 Morris Hills Rd, Toddville.
