

Dear Parents/Guardian,

In our efforts to keep summer camp as safe as we possibly can, we want to inform you of the procedures we will be following during the three-day camp. **Please read the following measures staff will be taking to aid in this matter and sign this form and bring it with you the first morning of camp.** Ultimately it is attending camp at your own risk.

- Campers who have been exposed to Covid-19 in the past 14 days will not be allowed to attend camp.
- If a staff person has been exposed, camp will be cancelled.
- Campers that fall into the “at risk category” are asked not to attend camp.
- If your child shows any obvious signs of illness please keep your child at home.
 - Campers will have their temperature taken daily upon arrival to camp.
 - o Campers with a temperature of 100.4 Fahrenheit or higher will be sent home for the remainder of camp.
- Staff with a 100.4 temperature will be sent home and camp will be cancelled.
- Campers will not be required to wear face masks or gloves. They can if they choose.
- Campers will wash hands with soap and water upon arrival and before and after eating and any other time deemed necessary.
- Campers will largely have their own equipment assigned to them for the week as to limit sharing materials. (dip nets, pdfs, binoculars, field guides, GPS units, collection jars, writing utensils) If communal props are required, hands will be cleaned immediately following.
- Snacks will all be prepackaged and handed out by staff with a gloved hand.
- Please educate your child on keeping their physical distance from other campers they are not associated with. **We cannot guarantee children will social distance 100% of the time.**

I _____, have read the above measures and understand how Clinton County Conservation Board and its staff will do everything in their ability to mitigate the spread of Covid-19 during all programs and summer camps. I hereby consent to my child(ren) _____ to participate in _____ on _____ dates and will hold harmless Clinton County, Iowa; the Clinton County Conservation Board; and their staff or other program participants if my child/myself/my family members are exposed to or succumb to Covid-19 while voluntarily attending this program.
_____ date _____
