### ELIGIBILITY AND JUDGING

Children in K–12th grade.

There is a limit of one label per child. Each age division (K-4, 5-8, 9-12) will be judged separately based on originality, use of color, and appropriateness of the theme and pollinator conservation message. One label from each age division will be selected.

### STICKER REQUIREMENTS

The overall theme is “Pollinators are Life”. And remember, there are all kinds of pollinators. Be creative!

Artwork must fit within the circle of the included template. (Oversized/undersized artwork **WILL NOT** be eligible)

Artwork must depict various pollinator species, or ways to care about pollinators

If you use words, they must be spelled correctly! Please remember to check spelling and punctuation. Stickers with misspelled words will not be selected. The fewer words written, the better.

Bold, bright, brilliant colors show up the best! The child may use the following art media: crayons, markers, pencils, paints, watercolors or chalks.

Artwork must be **ORIGINAL** (no traced, trademarked, or copyrighted characters and slogans, i.e. Snoopy, Sponge Bob, Dora the Explorer, etc.)

Stickers should depict each child’s original work and “truly” be the hands-on work of each child, realistically representing the age, grade and developmental skill level of each student. Adults should only assist with spelling and punctuation. Linn County Conservation reserves the right to question or disqualify any artwork that is clearly not the work of the student based on their age and grade level.
