

Prairie Creek Recreation Area
2022 BioBlitz
Friday, June 17 – Saturday, June 18

BioBlitz Participant Registration Form

This event is free and open to the public. We invite individuals, adults, families with kids, civic groups, youth groups and students to help us inventory the variety of species at Prairie Creek and learn more about Iowa's wildlife. Children ages 12 & under must be accompanied by an adult. All surveys will begin at the Prairie Creek Pavilion, 1215 East Summit Street, Maquoketa.

Pre-registration is REQUIRED by Wednesday, June 15 at Noon.

Participants should wear clothing appropriate for outdoors, including hiking shoes/boots. Bring a water bottle and any food/snacks you wish to have. It is also recommended you bring sunscreen, insect repellent, camera, and binoculars (birding) if you have them.

We'd like to thank Friends of Jackson County Conservation for sponsoring this event!

NAME(s): _____

(Note: you can use one form per family if members are signing up for the same surveys)

ADDRESS: _____ **PHONE NUMBER:** _____

EMAIL: _____

How did you hear about the BioBlitz? _____

Put an **X** next to the surveys you plan to participate in. Surveys will last approximately 1-1.5 hours. You can leave a survey early to make it to another one if you like.

- | | | |
