3. Hunters must pass the archery proficiency test, **Wed. Sept. 7, 4-6 pm or Sat. Sept. 17, Noon to 3 pm** at **Black Hawk Park archery range. Hunters will shoot 5 arrows at each of the 4 stations and are allowed only one (1) miss per station. Proficiency tests will be given according to the attached schedule. Hunters must hunt with the same type of bow which he/she qualified with.**
4. To hunt on private lands within the Special Deer Management Zone, you **must also do the following:**
Official Landowner Permission Form letter filled out and signed by the landowner and hunter and a copy of an aerial map of the land with the boundaries shown. You must provide this information for approval **ANNUALLY** <http://www2.co.black-hawk.ia.us/website/bhmap/viewer.htm> to find maps Have approval of the site by an Iowa DNR Conservation Officer, **Evansdale Police Chief, Cedar Falls Police Department & Elk Run Hts. Mayor.**
5. All hunters must attend one of the two informational meetings which have been set for **Wednesday, Sept. 7, 6 pm.** or **Saturday, Sept. 17, 10 am** at **Black Hawk CCB Office, 1346 W. Airline Hwy., Waterloo. IA 50703**
6. Hunters will be assigned to a season and a zone within the Wyth/Hartman complex, Black Hawk Park, the Katoski Greenbelt, the ~~UNI-Property~~, Evansdale, Elk Run Hts., Big Woods & San Souci Island. If you do not fill your tag before the end of your season, contact the Zone Manager of the area you want to hunt. You may be able to continue hunting in another empty slot.
7. **Any hunter that harvests 3 does in any zone or approved private property will qualify for an any sex license for 2023-2024. Bucks WILL NOT be harvested in Katoski Greenbelt Zones E, F & G. These licenses will be available on first day of first season of 2023-2024 for the hunters that harvested 3 does in 2022-2023.**
8. *All bows must be cased while in transit to the stand. No bow may be carried or displayed within 600 feet of any residence without the permission of the owner (Waterloo City Ordinance).*
9. No driving or stalking of deer. The hunter must shoot from a stand (ground or tree) and be at least 25 yards from all designated trails, roads and public buildings. Hunters cannot shoot across a road or trail. Katoski Greenbelt hunters cannot hunt within 75 yards of Greenbelt Lake. **Evansdale requires an elevated stand & be 200' from residence/building.**
10. Shots limited to **20 yards or less.**
11. Identify your target as an **antlerless** deer before taking your shot.
12. Take only high percentage shots - **Avoid Wounding Deer!**
13. Know what is down range of your stand and make every reasonable effort to retrieve arrows.
14. The hunter shall report to the check station at George Wyth Park Office, or make arrangements with Conservation Officers, Karl Kozak, Lori Eberhard or Hartman Reserve Nature Center (weekdays) for alternative locations with the deer within 24 hours after a deer has been harvested. If the hunter is unable to locate a wounded deer he/she will contact the manager in that zone, within 12 hours.
15. Hunters shall follow all state and county hunting laws including, but not limited to, **no screw-in tree steps, pins, or nails**, no cutting of natural vegetation. **No baiting!**
16. If you take a deer and wish to continue hunting, contact George Wyth for an additional tag during normal business hours. Hunters may purchase up to **two** tags at first and are eligible to buy an additional tag for each deer they check-in.
17. Use proper field dressing techniques. Do not leave entrails in a conspicuous location.
18. Respect private property! Trespassing will not be tolerated. Locate park boundaries and stay on the public side.
19. Remove yourself from any harassment situation and immediately report the incident to a DNR conservation officer or zone manager.
20. **All tree stands used by DMZ hunters will display a tag on the platform (bottom of seat if no platform) & visible from the ground. Hunters can get extra tags if they have multiple stands. Any stands found without the tag will be removed from the area.**
21. Report violators to the DNR conservation officers. **Hunters charged with violations in the DMZ or other hunting related offenses will lose their hunting privileges in the DMZ hunt and could lose statewide hunting privileges.**
