

Miami Park also has elk and white tail deer that love attention.

They will eat right out of your hand!

*Parents, please supervise children
when feeding the animals.*

Lake Miami

Miami Park

History of Lake Miami

Lake Miami is a 135 acre, man-made lake located 5 miles east of Lovilia on an 879 acre park. Lake Miami was constructed in 1967. The lake is governed by The Monroe County Conservation Board. Lake Miami offers full service facilities for camping. Lake Miami also offers picnic areas, fishing, hunting, hiking, and outdoor recreation, as well as cabin rentals.
